

## Receive up to \$500

The Mass Save® ENERGY STAR® certified induction and electric radiant cooktop rebate is available to Massachusetts residential natural gas and propane customers where the Mass Save program is offered by Berkshire Gas, CapeLight Compact, Eversource, Liberty, National Grid and Unitil. This rebate is only eligible when replacing an existing natural gas or propane stove. Customers must submit photos of their existing propane or gas stove as well as a photo of the new induction or electric radiant cooktop stove to be eligible. Photos must show the existing cooktop before removal and the new cooktop after installation with the surrounding area in the frame. This rebate is good for the installation of an induction or electric radiant cooktop stove between January 1, 2025 and December 31, 2025. The rebate application and all necessary materials must be postmarked or submitted online by January 31, 2026. Limit one cooktop or stove rebate per Massachusetts residential household.

2025

# Electric radiant and induction cooktop rebate form

## INSTRUCTIONS

1. This rebate is only eligible when replacing a natural gas or propane stove with an induction or electric radiant cooktop. Customers must submit a before and after photo of their existing cooktop and the new cooktop installed with their application to qualify. Photos must be in the same location showing the area around the cooktop.
2. Purchase an induction or electric radiant cooktop or stove between **January 1, 2025 and December 31, 2025**.
3. Submit your rebate information online at [MassSave.com/Savings](https://MassSave.com/Savings) or mail it to the address on the right **no later than January 31, 2026**. Your rebate cannot be processed without the following information:
  - This completed rebate form
  - A copy of the receipt showing the qualifying product including the purchase date, purchase price, model or sku #, and store name
  - DO NOT mail with your utility bill payment
  - A photo of your existing gas or propane cooktop and the new induction cooktop once installed.

**Note: To receive your rebate faster, submit online at [MassSave.com/Savings](https://MassSave.com/Savings)**

## TERMS AND CONDITIONS

**Customer eligibility:** This rebate is for Massachusetts residential electric and gas customers where the Mass Save program is offered by Berkshire Gas, Cape Light Compact, Eversource, Liberty, National Grid and Unitil. This rebate may not be combined with any other utility or energy efficiency service provider offer for the same equipment.

**Rebates:** Rebate is paid in the form of check via mail or eCheck. Rebate check cannot exceed the purchase amount indicated on the receipt or invoice. For more information and to check the status of your rebate, visit [MassSave.com/RebateStatus](https://MassSave.com/RebateStatus) or call **888-855-0340**.

**Installation and environmental credits:** Customer agrees that the Energy Efficiency Program Provider (EEPP) has the unilateral right to apply for any ISO-NE capacity payments or environmental credits resulting from this energy efficiency project, and agrees not to file for such payments or credits either directly or indirectly. The EEPP reserves the right to conduct field inspections to verify installations.

**Liability:** Participating utility or energy efficiency service provider does not guarantee the performance of installed equipment expressly or implicitly.

**Changes to this rebate offer:** These Terms and Conditions may be changed or terminated by the Sponsors at any time without notice.

**(!) IMPORTANT:** Photocopy your entire submission for your records. You may be required to provide additional copies.

By submitting this rebate, you agree to the above Terms and Conditions.
